

Canadian Common Ground Alliance

# **International Damage Prevention Symposium**

## **Exhibitor Information Package**

### **New for 2021!**

We have expanded the CCGA Symposium content, as well as the delegate list, to discuss international damage prevention challenges. Meet with international colleagues virtually to exchange industry information, focus on public awareness initiatives for damage prevention and expand stakeholder knowledge on efforts to protect essential infrastructure.

### **Exhibitor Benefits**

As a supplier of goods and services to the industry, we invite you to participate as an exhibitor and receive the following benefits:

- By promoting your company effectively at this event, you're in an ideal position to generate leads with key decision makers in the Damage Prevention industry.
- Position your company for sales success. Invest in three cost-effective days building relationships and brand awareness.
- Enhance your company's image and visibility in front of a targeted audience.

I look forward to seeing you online and thank you for your ongoing support of the Canadian Common Ground Alliance.

Sincerely,

**Douglas Lapp**
