Canadian Common Ground Alliance International Damage Prevention Symposium November 16 - 18, 2021

It is my pleasure to offer the following sponsorship packages at the 2021 CCGA International Damage Prevention Symposium, November 16 – 18, 2021, virtually via GoToWebinar.

This event is a signature event for the CCGA attracting over 265+ damage prevention management professionals and decision makers from across Canada including stakeholder groups such as oil and gas, municipalities, telecommunications, emergency management, electrical transmission/distribution, surveyors and provincial regulators.

New for 2021!

We have expanded the Symposium content, as well as the delegate list, to discuss international damage prevention challenges. Meet with international colleagues to exchange industry information, focus on public awareness initiatives for damage prevention and expand stakeholder knowledge on efforts to protect essential infrastructure.

I look forward to seeing you online and thank you for your ongoing support of the Canadian Common Ground Alliance.

Sincerely,

Douglas Lapp
Chair, Canadian Common Ground Alliance
